### FALCONS FAMILY NIGHTS AT FRIENDLY'S

The Springfield Falcons Family Fun Nights return tonight when #7 Sylvain Dufresne and #31 Karri Ramo will be at the Friendly's Restaurant located on 529 Memorial Drive in Chicopee from 6-8 PM.

### FALCONS FOOD DRIVE

The Falcons Canned Food Drive also has started as fans can drop off canned food at the Community Relations table at Falcons home games this week. Fans dropping off food at the Falcons home games on November 15 & 17 will receive a discount coupon for the Falcons home game on Wednesday, November 22 against Portland.

### STATEMENT FROM FALCONS PRESIDENT AND GM

Falcons President and General Manager Bruce Landon also issued the following statement on Monday morning in reference to the selling of horns at Falcons home games:

"After listening to the concerns and complaints from our fans, effective immediately the Springfield Falcons will stop selling the horns at all games. We said at the beginning of the season we would monitor the feedback from our fans and it is obvious that despite the fact that the horns are popular items with our young fans, they are too annoying and affect the enjoyment of our other customers." - Bruce Landon
